Access

To use the Brickyard Bank Business Online Banking Service, you must have at least one business checking account at Brickyard Bank, access to Internet service, and an e-mail address. Once we have received your signed Enrollment Form, and verified your account information, we will provide you confirmation of our acceptance of your enrollment, and temporary password. The online banking system can be used to access only Brickyard Bank accounts which you have designated for access on your Enrollment Form. You can add or delete any of your bank accounts from this Agreement by completing a new Enrollment Form. We undertake no obligation to monitor transactions to determine that they are made on behalf of accountholder.

Business Online Banking Services

You can use the business online banking system to: check the balance of your accounts, view bank account history, transfer funds between your bank accounts, approve transfers, view check images, pay bills and check the balance and activity information available as of 5:00 p.m. (Central Time) of the previous business day.

Hours of Access

You can use the online banking system seven days a week, twenty-four hours a day, although some or all online banking services may not be available occasionally due to emergency or scheduled system maintenance. We agree to post notice of any extended periods of non-availability on the Brickyard Bank's website.

Your Password

For security purposes, you are required to change your password upon your initial login to the online banking service. You determine what password you will use and the identity of your password is not communicated to us. You agree that we are authorized to act on instructions received under your password. You accept responsibility for the confidentiality and security of your password and agree to change your password regularly. Upon three unsuccessful attempts to use your password, your access to online banking system will be revoked. To re-establish your authorization to use, you must contact a Brickyard Bank Customer Service Representative to have your password reset or to obtain a new temporary password.

We recommend that you create a password that utilizes both alpha and numeric characters for purposes of security. Your password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, and should be memorized rather than written down.

Security

You understand the importance of your role in preventing misuse of your accounts through the online banking system and you agree to promptly examine your paper statement for each of your Brickyard Bank accounts as soon as you receive it. You agree to protect the confidentiality of your account and account number, and personal identification information, such as your driver's license and social security number. You understand that personal identification by itself, or together with information related to your account, may allow unauthorized access to your account. Your password and login ID are intended to provide security against unauthorized entry and access to your accounts. Data transferred via online banking is encrypted in an effort to provide transmission security and the online banking service utilizes identification technology to verify that the sender and receiver of transmissions can be appropriately identified by each other. Notwithstanding our efforts to ensure that the online banking system is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. We cannot and do not warrant that all data transfers utilizing the online banking system, or e-mail transmitted to and from us, will not be monitored or read by others.

Fees and Charges

You agree to pay the fees and charges for use of the online banking services as set forth in the current fee schedule. You agree to pay any additional reasonable charges for services you request which are not covered by this Agreement. You are also responsible for telephone and Internet service fees you incur in connection with the use of system services.

Posting of Transfers

Transfers initiated through the online banking service before 5:00 p.m. (Central Time) on a business day are posted to your account the same day. Transfers completed after 5:00 p.m. (Central Time) on a business day, Saturday, Sunday or federal holiday, will be posted the next business day. Transfers are identified based upon the login ID of the user that completed the electronic transfer. Accordingly you understand and acknowledge that the view posting screens will not reflect transfers made by multiple users from the same account if multiple login ID's are used. You agree to communicate with any other persons with authorized access to your accounts concerning any transfers from your accounts to avoid overdrafts.

Overdrafts (Order of Payments, Transfers, and other Withdrawals)

If your account has insufficient funds to perform all electronic funds transfers you have requested for a given business day, then:

- A. Electronic funds transfers involving currency disbursements, like ATM withdrawals, will have priority;

- B. Electronic fund transfers initiated through the online banking service which would result in an overdraft of your account may, at our discretion, be cancelled;
- C. However, in the event the electronic funds transfers initiated through the online banking service which would result in an overdraft to your account are not cancelled, overdraft charges may be assessed pursuant to the terms of the deposit agreement for that account.

Limits on Amounts and Frequency of SYSTEM Transactions

The number of transfers from Brickyard Bank accounts and amounts which may be transferred are limited pursuant to the terms of the applicable deposit agreement and disclosure for those accounts. If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of the funds held until the hold expires.

Disclosure of Account Information and Transfers

You understand information about your accounts or transfers you make may automatically be disclosed to others. For example, tax laws require disclosure to the government of the amount of interest you earn, and some transactions, such as large currency and foreign transactions, must be reported to the government. We may also provide information about your accounts to persons or companies we believe would use the information for reasonable purposes, such as when a prospective creditor seeks to verify information you may have given in a credit application. In addition, we routinely inform credit bureaus when accounts are closed because they were not handled properly. We may also seek information about you from others, such as the credit bureau, in connection with the opening or maintaining of your account or in connection with approving your access to the online banking service. You agree and hereby authorize all of these transfers of information.

Additional Services Intended for Businesses

We offer businesses the ability to create multiple Online IDs each with the access level you designate. You may authorize other users and control their scope of activities by designating user levels, access levels, and account settings.

You are responsible for (and we will have no liability to you for) any unauthorized payments, transfers or other transactions performed on any account linked to this service that are made by a designated user or Administrator using the Passcodes you or an Administrator assign, and that occur before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice.

Periodic Statements

You will not receive a separate online banking service statement. Transfers to and from your accounts will appear on the respective periodic paper statements for your Brickyard Bank accounts.

Change in Terms

We may change any term of this Agreement at any time. If the change would result in increased fees for any online banking service, increased liability to you, or stricter limitations on the type or frequency or dollar amount of transfers, we agree to give you notice at least 21 days before the effective date of any such change, unless an immediate change is necessary to maintain the security of an account or our electronic fund transfer system. We will post any required notice of the change in terms on the Brickyard Bank website or forward it to you by postal mail. If advance notice of the change is not required, we will notify you of the change in terms within 30 days after the change becomes effective. Your continued use of any or all of the subject system services indicates your acceptance of the change in terms. We reserve the right to waive, reduce or reverse charges or fees in individual situations. You acknowledge and agree that changes to fees applicable to specific accounts are governed by the applicable deposit agreements and disclosures.

Brickyard Bank Liability for Failure to Make a Transfer

If we do not complete as transfer to or from your account on time or in the correct amount, according to our agreement with you when you have properly instructed us to do so, we will be liable for your losses or damages caused as a result. However, there are exception. We will NOT be liable, for instance:

- A) If, through no fault of ours, you do not have enough money in your account to make a transfer.
- B) If a legal order directs us to prohibit withdrawals from the account.
- C) If your account is closed, or if it has been frozen.
- D) If the transfer would cause your balance to go over the credit limit of an established line of credit set up to cover overdrafts.
- E) If you, or anyone authorized by you, commits any fraud or violates any law or regulation.
- F) If any electronic terminal, telecommunication device, or any part of the system electronic fund transfer system is not working properly and you knew about the problem when you started the transfer.
- G) If you have not properly followed the on-screen instructions for using the system.
- H) If circumstances beyond our control (such as fire, flood, interruption in telephone service or other communication lines) prevent the transfer, despite reasonable precautions that we have taken.

Disclaimer of Warranty and Limitation of Liability

We make no warranty of any kind, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, in connection with the system services provided to you under this Agreement. We do not and cannot warrant that system will operate without errors, or that any or all system services will be available and operational at all times. Except as specifically provided in this Agreement, or otherwise required by law, you agree that our officers, directors, employees, agents, or contractors are not liable for any direct, incidental, special or consequential damages under or by any reason of any services or products provided under this agreement or by reason of your use of or access to the system, including loss of profits, revenue, data or use by you or any third party, whether in an action in contract or tort or based on a warranty. Further, in no event shall liability of Brickyard Bank and its affiliates exceed the amounts paid by you for services provided to you through the system.

BILL PAY TERMS AND CONDITIONS

SERVICE DEFINITIONS

"Service" means the bill payment service offered by Brickyard Bank through CheckFree Services Corporation.

"Agreement" means these terms and conditions of the bill payment service.

"Biller" is the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

"Payment Instruction" is the information provided by you to the Service for a bill payment to be made to the Biller (such as, but not limited to, Biller name, Biller account number, and Scheduled Payment Date).

"Payment Account" is the checking account from which bill payments will be debited.

"Billing Account" is the checking account from which all Service fees will be automatically debited.

"Business Day" is every Monday through Friday, excluding Federal Reserve holidays.

"Scheduled Payment Date" is the day you want your Biller to receive your bill payment and is also the day your Payment Account will be debited, unless the Scheduled Payment Date falls on a non-Business Day in which case it will be considered to be the previous Business Day.

"Due Date" is the date reflected on your Biller statement for which the payment is due; it is not the late date or grace period.

"Scheduled Payment" is a payment that has been scheduled through the Service but has not begun processing.

PAYMENT SCHEDULING

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

THE SERVICE GUARANTEE

Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement.

PAYMENT AUTHORIZATION AND PAYMENT REMITTANCE

You represent and warrant that you are acting with full authority for the applying entity, and that you are duly authorized to execute this Agreement on behalf of the applying entity. By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives. When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will use its best efforts to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

PAYMENT METHODS

The Service reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a laser draft payment (funds remitted to the Biller are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

PAYMENT CANCELLATION REQUESTS

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

STOP PAYMENT REQUESTS

The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Customer Service. Although the Service will make every effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.

PROHIBITED PAYMENTS

Payments to Billers outside of the United States or its territories are prohibited through the Service.

EXCEPTION PAYMENTS

Tax payments and court ordered payments may be scheduled through the Service, however such payments are discouraged and must be scheduled at your own risk. In no event shall the Service be liable for any claims or damages resulting from your scheduling of these types of payments. The Service Guarantee as it applies to any late payment related changes is void when these types of payments are scheduled and/or processed by the Service. The Service has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be the sole responsibility of you and not of the Service.

Any changes will need to be made by contacting the Biller directly. Additionally it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. The Service may, at the request of the Biller, provide to the Biller your e-mail address, service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for purposes of the Biller informing you about Service and/or bill information.

Activation - Upon activation of the electronic bill feature the Service may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.

Authorization to obtain bill data - Your activation of the electronic bill feature for a Biller shall be deemed by us to be your authorization for us to obtain bill data from the Biller on your behalf. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.

Notification - The Service will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Service, the Service may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.

Cancellation of electronic bill notification - The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. The Service will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. The Service will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

Non-Delivery of electronic bill(s) - You agree to hold the Service harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.

Accuracy and dispute of electronic bill - The Service is not responsible for the accuracy of your electronic bill(s). The Service is only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Biller directly. This Agreement does not alter your liability or obligations that currently exist between you and your Billers.
