

Mobile Banking Guidelines

Mobile Banking enables anyone with a Brickyard Bank online banking account to access their account information from a mobile device. Mobile Banking offers three ways to access your accounts:

- Send a text message using your mobile device.
- Use a mobile browser on your mobile device.
- Download an application to your mobile device.

You can choose any or all of these options, depending on the capabilities of your mobile device.

What is Mobile Banking?

Mobile banking provides quick, secure account access from your mobile phone, making it easy to:

- See current account balances
- View recent transactions
- Transfer funds between account
- Deposits checks
- SMS alerts
- Pay Bills and more...

How do I enroll for Mobile Banking?

Mobile Deposit

How to enroll in Mobile Deposit:

Mobile Deposit is designed to allow you to make deposits of certain checks to eligible checking accounts from remote locations by capturing electronic images of the front and back of "original checks". You must be an owner either individually or jointly on the eligible checking account and your account. Mobile Deposit is available to all downloaded Mobile Banking Applications.

Mobile Deposit CANNOT be used to deposit the following items*:

- Checks payable to any person or entity other than you (i.e., payable to another party and then endorsed to you). This applies even if the person is an authorized signer on the same account the check is being deposited into.
- Checks payable to you and jointly to another party. This applies even if the person is an authorized signer on the same account the check is being deposited into.
- Checks that contain evidence of alteration, or that you know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.
- IRS Checks, Savings Bonds, foreign checks and Insurance checks.

*Please reference Brickyard Bank Mobile Banking Service Agreement and Disclosure for more eligible and ineligible items.

Mobile Deposit Limits:

Daily limits for Mobile Deposit transactions are as follows: Daily limit of \$2,500 total or individual check up to \$2,500.

Mobile Deposit Requirements:

- Sign/Endorse the back of your check, and **write "For Brickyard Bank Mobile Deposit Only" directly under the endorsement signature on the back of the check**
Note: If check is not properly endorsed, your deposit MAY BE DELAYED OR REJECTED
- When prompted for the amount, enter the check amount and be sure it matches the amount written on your check.

- Take a clear picture of the entire front and back of the check to include all four corners, but not too much of the surroundings and hold the camera square to the check to reduce corner to corner skew.
- Make sure that the entire check image is visible and in focus before submitting the deposit. Also, be sure to clearly capture the MICR line (numbers on the bottom of your check).
- Keep the checks deposited via Mobile Deposit for thirty (30) days before they are destroyed.
- If the Deposit is received and accepted before 3:00 p.m. CST on a business day that we are open, we consider that day to be the day of your deposit
- Funds deposited using Mobile Deposit made after 3:00 p.m. CST will generally be made available the next business day after the day of deposit. We may delay the availability of your funds at our discretion if we deem it appropriate in accordance with our policies and procedures.
- You can monitor the status of your mobile deposits through Mobile Banking. All mobile deposits will be labeled "Mobile Deposit" on your monthly statements and within Online Banking.

Mobile Browser Service

Use the mobile browser service to:

- Check account balances.
- Review recent account activity.
- Transfer money between accounts.

Text Messaging Service

How To View Account Balances

Complete the following to view account balances:

1. Send "**B**", "**BAL**", "**BALANCE**" or "**BALANCES**" to the short code received after activating the mobile device. (Short Code = 99588)
2. A text message is returned displaying the balances for the accounts enrolled in Mobile Banking.

How To View Transaction History

Complete the following to view transaction history:

1. Send "**STMT**", "**TRAN**" or "**HIST**" plus the nickname for the account (e.g., HIST Checking) to the short code received after activating the mobile device.

I forgot the Text Messaging Short Code. What is it?

99588

Are the keywords case-sensitive?

Whether you type "BAL" or "bal," a response with your account balance information is sent to your mobile device.

What should I do if I don't get a response to a request?

Make sure you are sending text messages to the <short code>. Check the keyword and any additional information required for the request, such as Brickyard Bank's identifier, account nickname, or address.

Questions about Text messaging

You can contact us at 847-679-2265, or send a text message with the word "HELP" to 99588 for any questions you have about the SMS features.

How do I stop Text Messages from my Mobile Phone?

To stop the messages from coming to your phone, you can opt out of the program via SMS. Just send a text that says "STOP" to this number: 99588. You'll receive a one-time opt-out confirmation text message. After that, you will not receive any future messages.

Mobile Device and Mobile Communications:

You are responsible for providing your own mobile device that supports 128-bit encryption. Mobile Banking Services users must download, install and use certain software systems and programs developed by us, our licensors or other third parties. We are not responsible for any damage to your mobile device resulting from those activities; and you will be engaging in those activities at your own risk.

To download the Mobile Banking Services software, please follow the instructions found in the *How do I enroll for Mobile Banking?* section of this guideline. Depending on its make and model, your device may need to be capable of receiving an SMS text message to initiate the download.

You are responsible for obtaining your own mobile communications service provider. Your mobile communications service provider may charge you for Internet-related use and for text (SMS) messages, so please see your mobile carrier for further details about its charges. You are responsible for all fees and charges that you may incur to any mobile communications service provider or any other third parties while using our Service. We are not a party to, and we have no duty, liability or responsibility with respect to or in connection with (i) your mobile communications service provider agreement, or (ii) any mobile device, hardware, software or other any product or service you may purchase from others relating to your use of the Services. This guideline does not amend or supersede any agreements that you have with third parties (such as your mobile device supplier and your mobile communications service provider), and you remain subject to all terms, fees, costs, other charges, limitations and restrictions in those agreements with third parties. Your mobile device supplier and your mobile communications service provider are responsible for their products and services. You agree that any problems you may have concerning those companies' products, services or agreements shall be resolved by you directly with them, and without involving us.

Your mobile device may become subject to unauthorized tracking, "hacking" or other manipulation by spyware, viruses or other malicious code ("malware"). We are not responsible for advising you of the existence or potential effect of any malware. Your use of your hardware and software is at your own risk.

User Security

- You agree to take every precaution to ensure the safety, security and integrity of your account and transactions when using the Service.
- You agree not to leave your device unattended while logged into the Service and to log off immediately at the completion of each access.
- You agree not to provide your username, password or other access information to any unauthorized person. If you permit other persons to use your device, login information, or

- other means to access the Service, you are responsible for any transactions they authorize and we will not be liable for any resulting damages.
- You agree not to use any personally identifiable information when creating shortcuts to your Account.
- We make no representation that any content or use of the Service is available for use in locations outside of the United States. Accessing the Service from locations outside of the United States is at your own risk.
